Sugarcreek, OH 44681

We sent Timothy, who is our brother and God's fellow worker in spreading the gospel of Christ, to strengthen and encourage you in your faith. - 1st Thessalonians 3:2

Dear Fellow Worker:

Remember last year, when we prayed Matthew 9:37-8,
that the Lord of the Harvest would send out workers?!

Well, He did! Since last year's conference, workers in and around Wyandot County have successfully petitioned their school board for a new program in the Riverdale district; workers southeast of Toledo are very close to approval of a new program in that area.

Workers in central and southwest Ohio have begun organizing and praying to start programs.

Workers in the Willard area have expanded their model program to serve more grades and students.

Workers in northeast and southeast Ohio invited WeCARE for Students to conduct a Program Review, and continue to strengthen their policies and procedures to better serve their students.

This year's conference has been planned to help all in attendance start, grow or *keep* successful released time programs: *Because We CARE!*

If you have an established program, come learn how to make certain it's *not at risk*.

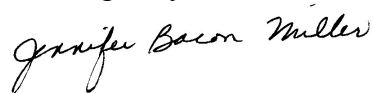

If you hope to start a released time program, come learn the basics and meet mentors and colleagues.

If you love the Lord and want to bring His love to more of Ohio's public schoolchildren, join us.

Bring a friend – or three. As the number of our workers grows, so will the number of young souls who will come to know our Lord.

We consider it a joy to labor with you in the fields of the Lord... hope to see you May 8th!

Blessings to you,

p.s. If you are with an established released time program, please bring along a copy of your program's insurance policy(ies) and declaration sheet(s)!
